# Dedication At Its Best

We, the Senior Class of 1987, feel fortunate to be able to dedicate our yearbook to Mr. Ralph Cooley, Advisor to the Senior Class. We would like to thank him for his never-ending, cheerful support. Since our freshmen year he has donated his time and energy to our fundraisers, been at our sporting events, and activities, and has brought us closer together as a class.

Mr. Cooley's geniality and reassuring comments have helped us through many tough and frightening spots: he truly had a special way of making the High School a second home for all of us.

The evident personal interest and affection Mr. Cooley so warmly shows to each student has set him apart from the other teachers.

Mr. Cooley has always been there for us and we appreciate it.

This book is yours, Mr. Cooley, from a class of friends.

**"How I Learned to  
be a Teen-Age  
Werewolf"**

Chess has never been a game meant for the meek and feeble-hearted of this world, rather, it is a highly competitive and dangerous game, and an appropriate learning ground for bloodthirsty hunting. With my counterparts in this incredibly inhuman, savage sport, I learned the secrets of stalking and pursuing on the seemingly innocent squares of black and white. Our opponents were quite unaware of our bestial intentions and our animalistic behavior took them completely by surprise.

# Making the Grade

# Producer

Since the departure of Dr. Porter in 1984, Dr. John Drinkwater has more than adequately filled his shoes. His time as producer has been marked with spectacular energy, awesome work, and, judging from the reaction to his "two hour delay", a stupendous result.

Dr. Drinkwater - Superintendent

Another two hour delay?

# Director

Mr. Cannone - Principal

Under Peter Cannone's vigorous leadership, the whole cast has been revitalized. New courses, new programs, new ideas have electrified the staff and student body. The innovative cooperation between the Academic Discipline Program at the University of Massachusetts and the teachers of academic subjects here will not only be beneficial intellectually to both parties, but will also bring our school to the forefront of education today. Although the program will be in its initial stages when Mr. Canonne leaves his principal-ship, it and we will still be very much under the influence of this four star director. His will be a tough act to follow.

Director of Special Effects, Mrs. Huhtanen, has achieved marvelously healthy and happy results by substituting  $\frac{1}{2}$  cup of concern for bran in all recipes. It works say the critics.

The Fearsome Spartan Offense

Captain Video

The Karate Kid

The Spartans struggled through a tough early season schedule. In that six game stretch the gridmen tied Division I powers, Holyoke and Agawam, and lost a hard-fought battle to Division II champion, Palmer.

Seniors Joe VanValkenburg, Pete Maruca and Bill Fielding led the team to its first victory over Greenfield. The Spartans went on to two back to back wins after the Greenfield victory without the services of quarterback VanValkenburg, halfback Rob Stellato and nose guard Bill LaPlante, all sidelined by injuries. Rallied by the strong play of Barrett and Maruca, the team played well for the remainder of the season.

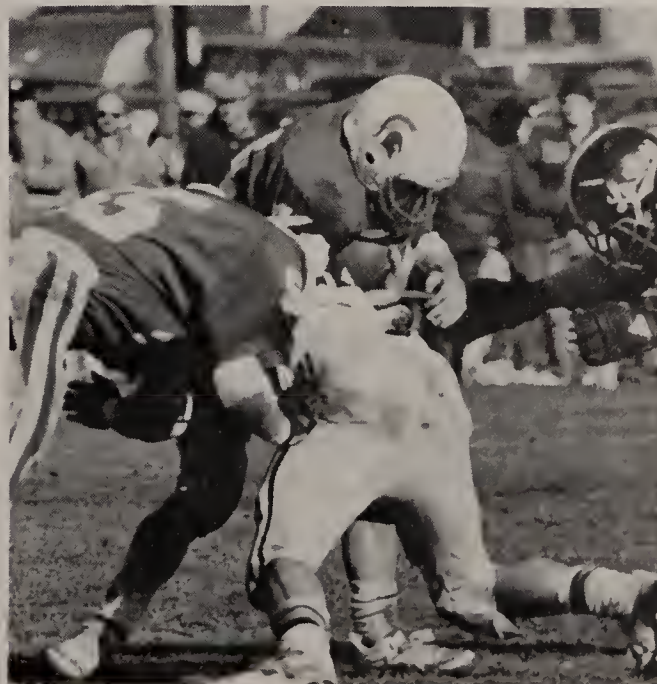

With the entire offensive and defensive lines returning, and such key players as Villeneuve, Joaquim and Maxim all returning, East Longmeadow Football, '87 should be a force to be reckoned with.

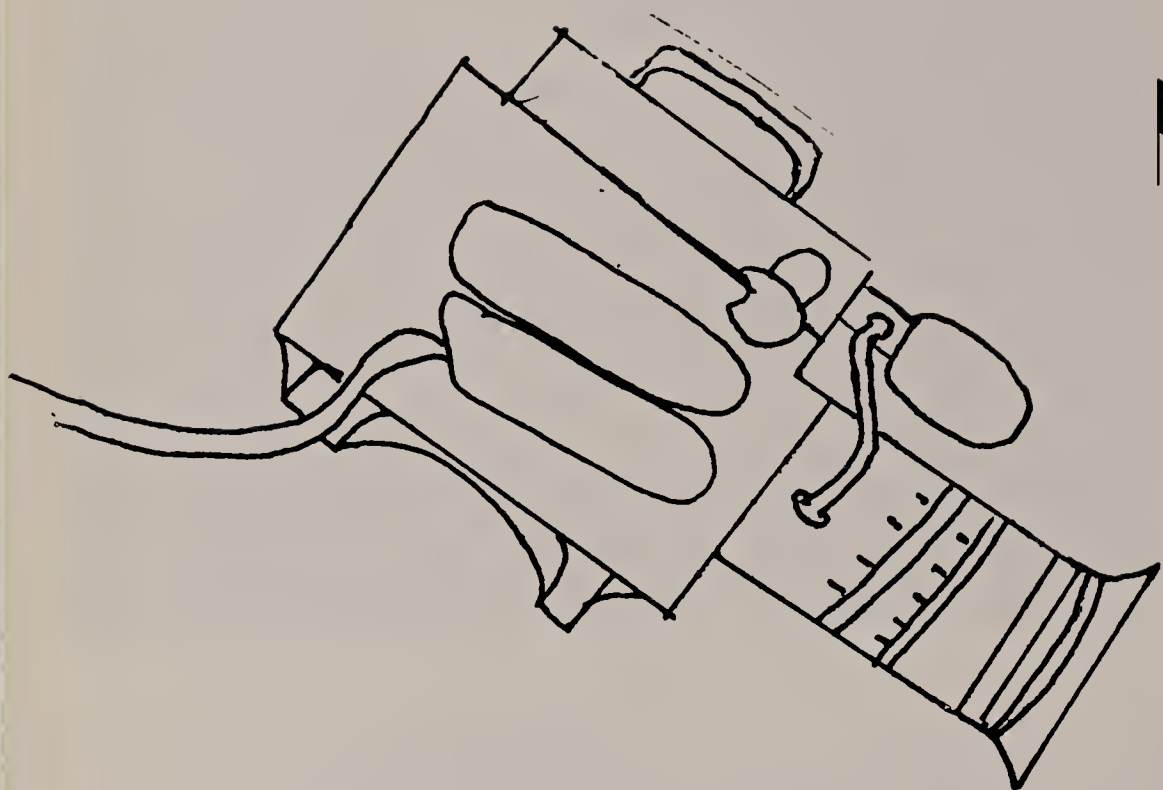

Mike Barrett escapes his opponent's clutches.

Time to head for the mountains.

Back Row (L to R): Paul Richards, Lee Deets, Mike Janiszewski, Chris Drapeau, Tony Giuggio, Ken Wenc, Ken Smith, Barry Scanlon, Coach Jim O'Hearn.

The Boys' Soccer Team had a somewhat deceiving year. Their record of 6-7-4 could have been 9 wins if not for bad breaks. The team had a stunning 0-0 tie with Western Mass. powerhouse Ludlow, which marred the latter's perfect record. Against Chicopee Comp. (ranked 5th. in Western Massachusetts), Jeff Buzzelle scored a penalty kick late in the game to beat them 2-1. Led by Tri-Captains Kevin Duperre, Jeremy Shurtleff and Scott Dunlop, the defense more than held their own on

the defensive side of the field while the offense was kept up by "Sophomore Sensation", Kenny Smith with 13 goals and 3 assists, and by Jeff Buzzelle who posted 11 points. Other wins against Longmeadow, Northampton, Amherst, Holyoke and Westfield enabled the team to compile the best record since 1981 and the 8th best season in the school's history. Capable Juniors and Sophomores such as Smith, Barry Scanlon and Tony Giuggio will keep the spotlight on soccer in 1987 and 1988.

The Girls' Varsity Soccer Team ended their season at 6-9-3. Although this record was not an improvement over last year's, the team held their own in important games, such as a tie against Agawam and a win over Northampton. The defense, which was lead by captains Laurel Redington and Chris Rinaldi (goalie), was tough to get by, while captains Beth Kenney and Diane Giorgini (leading goal scorer), along with Buffy Tarsa led the offense. Next year the team will be looking forward to a strong defense led by returning juniors Lisa Mozden and Molly Schaefer, and returning sophomore Pat Kelleher. The veteran offense will be consisting of Aimee Loiselle and Heather Cooley, Sophomore Joann Murray, and freshman sensation Kristy Ingulli.

The ELHS Division A Girls' Gymnastic team was disappointed in 1986 with an overall poor record of 0-12 for the season. The team consisted mostly of sophomores and juniors with a single senior, Evalina Andren. Lack of experience along with injuries and illnesses played a great part in the girls' performance. The team was led by Captain Beth Ann Towsley who averaged 23.10 per meet as all-around. Co-captain Christiana Brown helped to keep spirits up and carry out the team's motto, "Go for your personal best". Junior Corinne Kane's returning all-around average score was 22.70. Up-coming Seniors Christiana Brown, Carrie Concato, Corinne Kane, Amy Meccia, Beth Towsley and Traci Wynn along with juniors Renee Fortune, and Dawn Mastrodanato and sophomores Norma Dearden, Rocky Henderson and Shelly Hoekstra have strong attitudes toward next year's performance. This year's gymnasts were warming up for next year's season when they will be competing in division B. Next year's outlook will be a scene to look forward to!

The 1986 Boys' Cross Country finished among the top teams in Division I at Western Mass. Championships in spite of their 2-7 record. Throughout the season Rick Hafey, Dennis Warner, Jim White (capt.), and Jim Bosman performed well for the team. A major factor in the losses of many close meets was the lack of 5th and 6th men, spots later filled by runners Sam Rice and Mike Bracht.

With the loss of ten seniors, 1987 will once again be a year of rebuilding, but Mr. Calabrese is looking forward to it.

Front Row (L to R) Aimee Martin, Kathy Holt, Kee Kee Henderson. Back Row (L to R) Coach Calabrese, Leslie Gelinas (Capt.), Michelle Derusha, Tina Wescott, Andrea Igoe, Lily Martin. Missing: Jen Pozos

Throughout the season the Girls' Cross-Country Team maintained a consistent effort which led them to a 6-1 record. MVP Kathy Holt invariably finished first for the Spartans and left a number of course records behind her. Tina Wescott, freshman Aimee Martin and Kiki Henderson, Michelle Derusha, and Captain Leslie Gelinas provided essential depth to the team since they finished closely, one behind the other. With a loss of only two seniors next year's team shows promise.

What BIG ARMS Steve has!

For the first time since 1983, East Longmeadow hosted the Western Mass. Wrestling Tournament on its home mats on February 21, 1987. Even though East Longmeadow finished a disappointing fifth place, the day was a huge success for the competing coaches and wrestlers.

The Spartans had eight place finishers. Bill LaPlante avenged his last year's loss to Bill Potvin of Drury. La-

Plante earned first place this year. Mike Sawyer's decision over Gardner's 140 pounder gave him third place and a trip to the State Wrestling Finals in Wayland, later this season. Matt Connors 100; Ron Burns 107; Chris Turnberg 114; Jason Duffy 121; Steve Kelly 128; and Aldo Fazio 147, all placed fifth in the tournament to qualify as alternates in the State Tournament.

Congratulations to all the people

who helped make this day happen - to all the wrestlers who participated, to Coach Mitchell for his guidance, and especially to Coach Mazzariello.

The walking wounded

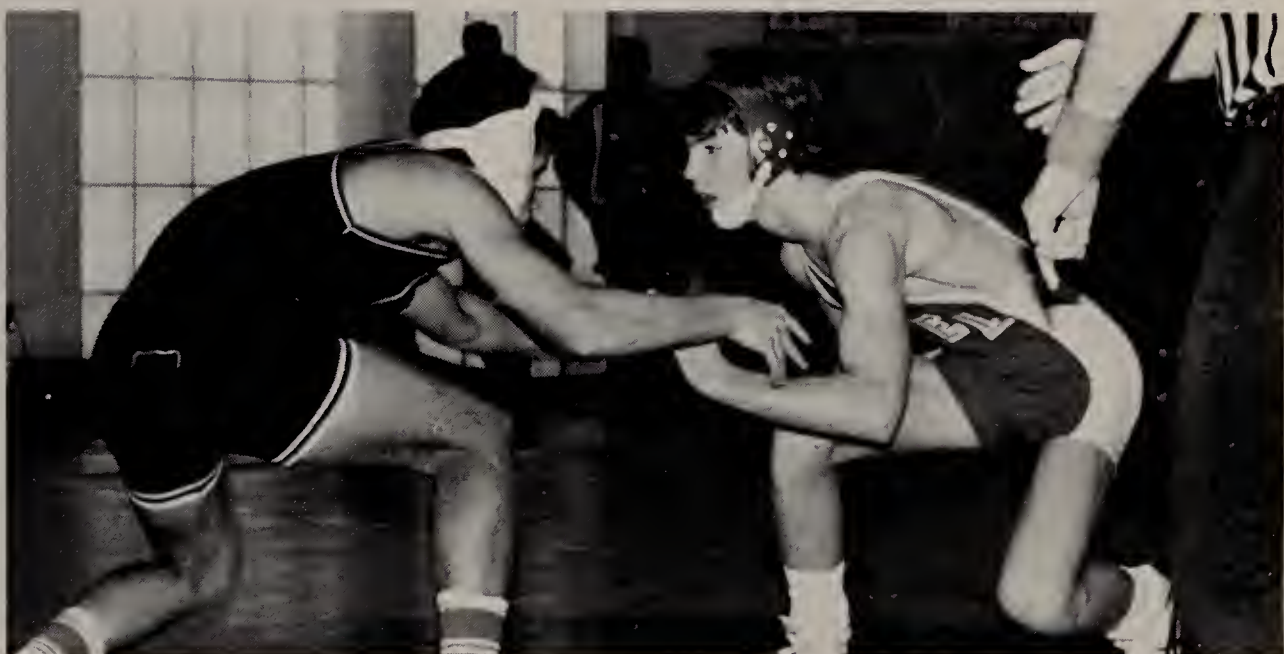

Coach Mazz and his wrestlers had an outstanding season once again, finishing second in Division II. The team had a 10 - 7 season with only one narrow loss to the traditional power house, Quabbin.

Bill LaPlante and Mike Sawyer both had outstanding records with one and two losses respectively. Also turning in record fine performances were Brian Donohue, Steve Kelly, Bill Brennan and Jason Duffy.

Midget wrestling

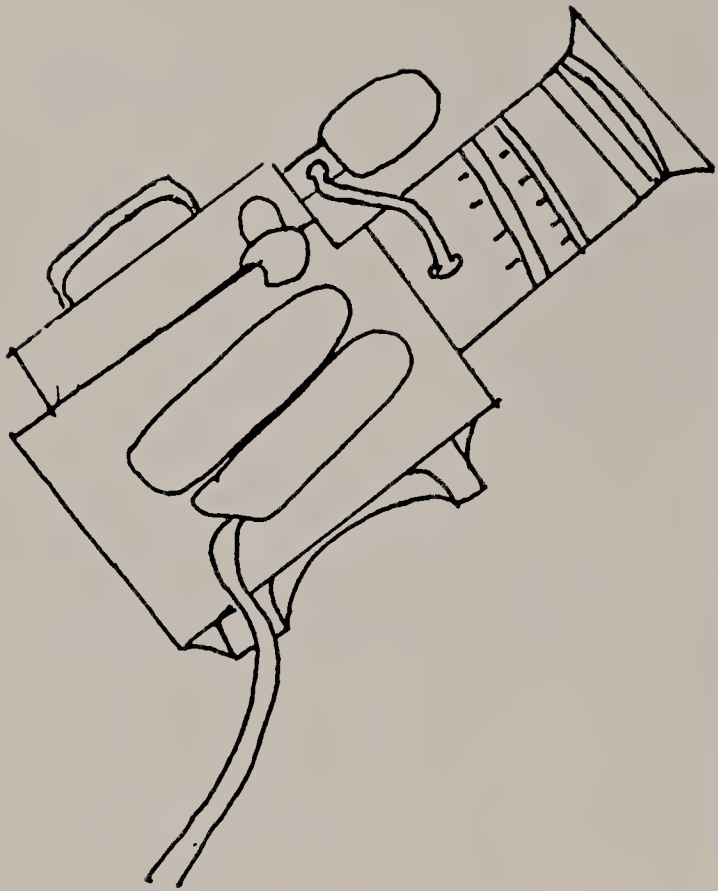

East Longmeadow is hosting the Western Mass tournament this year and many wrestlers are expected to do well. The team should have quite a few wrestlers qualify for the State Tournament in Wayland later in the season.

Coach Mazzariello is hoping to repeat this year's record in '88 with the nucleus he will have at the end of this season. OK team, to the mats.

The weather might have been frigid outside but the '86 - '87 hoop team kept the heat on their opponents all winter long. A suffocating team defense directed by 2nd. year coach Doug Pearson, choked off any threat and had opposing coaches reaching for their Heimlich manuals.

After a close opening night loss to Central, the Spartans rebounded with an impressive string of victories, including a tough stretch while Mike Lawless was down with an ankle injury. Presently the team is playoff bound.

The team was led throughout by the superb play of captains Pete Maruca and Mike Lawless and backstopped by Chairman of the Boards, Evan Proulx. Forward Chris Maxim's steady play and point guard Tom Villeneuve's lightening moves kept defenses spread out and with the depth provided by guards Greg Frigo and Tony Giuggio and forward Dennis Warner, the team has kept the BIG WIN within their grasp.

The Girls' Basketball team got off to a slow start this year, but halfway through the season they began pulling together. Under captain Laurel Redington, the Spartans improved their record to 5-7. In February, Laurel broke the school record, scoring over a thousand points in her high school career. She was also the league's high scorer, averaging nineteen points per game. Under her leadership, the Spartans finished the season with a respectable record.

Although next year's team will be missing seniors, Laurel Redington, Karen Gondela, and Diane Giorgini, the girls hope to have a strong season with juniors Erin Lundberg, Beth Drinkwater and Leslie Frigo.

It was a banner year for Coach Bolles and the E.L.H.S. Boys' Swim team. Against a tough Northampton team, E.L. managed to swim their way to the long awaited 200th victory in Spartan history. Moreover, their last meet of the season the swim squad captured the division title against Central. The score was tied until the last relay when E.L.'s Mike Cavanaugh, Jim White, and Brian Kenyon took the trophy home.

Swimming well throughout the season were sophomores Sean Humphries and Dan Cleavall. Mike Hallett (junior) made his mark in the I.M., while Andy Ball (junior) came along well in backstroke. In freestyle sprints Mike Cavanaugh (junior) and Jeremy Shurtleff (captain) made the difference in many meets. Jim White (captain) in distance and backstroke, along with Brian Kenyon (captain) in distance, led the team to the division title. Upcoming stars include Paul Kudera, Dan Murray, and Eric Kraft.

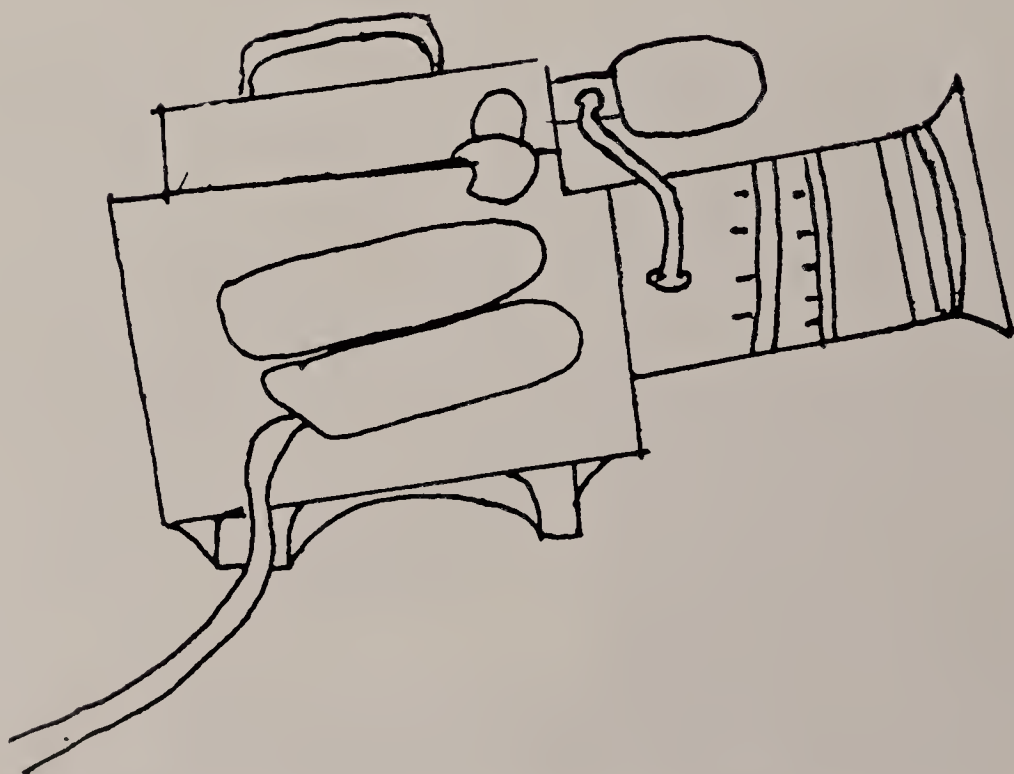

# DIVING

This year's diving teams, consisting of five girls and four boys ended their season respectably. The girls' diving team was lead by junior Christiana Brown, a two year qualifier on Western Mass. The team also consisted of junior Traci Wynn, and freshmen Kate Smith, Jen May, and Kristie Inguli. The boys diving team was led by junior Gennady Zak, also a qualifier for Western Mass. Also on the team were junior Brian Kowalczyk, and freshmen Rob Ferriera, Mike Westerman, and Rob Desiletz. Both teams are looking forward to another promising season next year.

With only five seniors this year, the hockey team was lacking the extra leadership any sport needs. Kevin Kennedy and Mike Cintron, both captains tried to make the 86-87 season productive. The blades on the ice were quick yet not quick enough. The passing skills this year were different- more cooperative- the Spartans passed more to the opposite teams than their own teammates. The defense was constantly in trouble. Their diminutive size made hitting hard; they had fight in their hearts but not in their bodies. The offense was plagued by helping the defense, a condition which led to unproductive scoring punch.

My knee really itches mom.

The mysterious lives of seniors- why are they all smiling? Is it perhaps what is behind the bush, or are they beating around the bush? Is this what happens when the seniors prepare to experience the real world? Is this the pass off, or the final down, "Wait, Matt, where's the keg?" "Well, I know I left it here somewhere- Derrick will get it!" Maybe someone will open the door on these bodiless bushmen. These must be the seats they have chosen. Maybe Pete will share a lollipop. Still, let us not be mislead, the show must go on.

Each class possesses its own unique qualities which can make it stand out from the rest. It may be a phrase commonly spoken, or it may be the fashion trends set by an elite few. It could even be the successes and failures of the class that set it apart. The Class of 1987 will be remembered for its variety of people. From punk to prep, brain to burn-out, each is different. Each person, by being himself, shows the courage to be one of "The Outsiders", even if it means standing on a roof alone like Mike Morrisino.

# Standing Room Only

In the chill of November the 4077th. M★A★S★H unit, led by Mr. Calabrese in battle fatigues, set up camp on the stage of Wheeler Auditorium in East Longmeadow High School. The cast, electrified by the efforts of Donna Neves and Mr. C., were at peak performance. Major character portrayals were provided by Mark Trial as Hawkeye, Craig Hundertmark as Col. Blake, and Leslie Gelinas as Major Houlihan. The audience responded with laughter to Klinger (Jeremy Shurtleff) as Private Boone. Over fifty talented seniors doubled the senior treasury through this offering.

After a two-night bill the spot-lights were turned off, and M★A★S★H limped away into the battle zone.

Do you like horror shows?

The Halloween Dance presented the debut of many young unknowns and unidentifiables. Were these people "The Outcasts" or merely intermission goodies standing by the popcorn machine? Wanderers had to watch out for ghosts, shouls or other deranged fools.

The screenplay provided outrageous characters. Costumes were imaginatively provided by Ghordache and ranged from a possible President Reagan to a corrupted Conehead who spent the night trying to brain people. Make-up was supplied by Wax Factor. These zany zombies and foolish friends made the script into a three-star comedy. Well before the witching hour awards were given for the best dramatic appearance, and although the Red Sox didn't win the Series, they did steal the spotlight on the dance floor. Dorothy and Toto couldn't come, but a German Tin Woodman, who was in the wrong studio, fared well in the judging. The musical score was by Synovia, a new addition to the dance. The lead singer, that ever-scary guy, Kevin Casey, gave new meaning to the words Twist and Shout. He reeled out great renditions of *Uz* and *Stand By Me*, a threatening proposition considering the freaky creatures who came out that night.

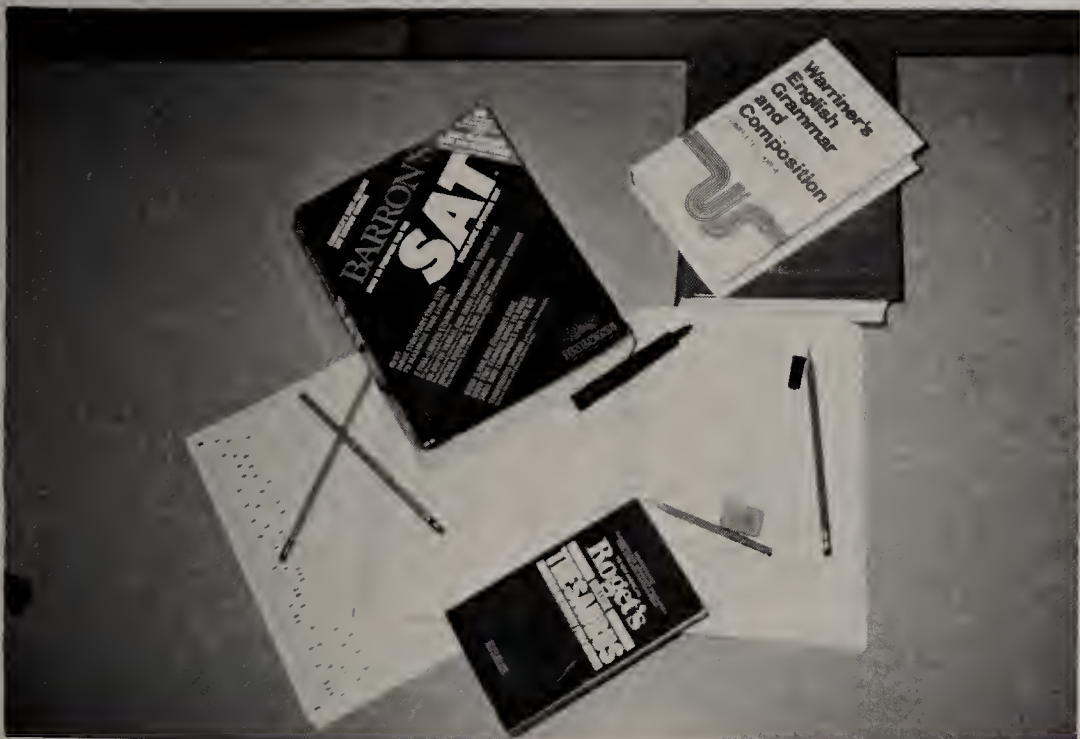

# The Infamous S.A.T.'s

The highest-rated horror shows ever programmed in ELHS have been the Scholastic Aptitude Tests given this year in November and December. After years of preparation by all the test-takers, and the concentrated focus of Review English and Math classes, Vocab and Grammar, and the SAT tutored courses, it all came down to three hours of pains-taking, mind-boggling trauma. As the students gathered around the entrance to the school in the wee hours of the morning, they knew that the next three hours would ultimately decide their future. Scary!

# The Graduate

The Pres.

The Aliens

On June 7, under threatening skies, the class of '87 received their diplomas. Donna Neves, Curtis Picard, Chris Rinaldi, Kristen LaValley, Tom Rogan, and the exchange students explained their views of the past years-and were unexpectedly aided by Tony Maestrone's strong endorsement of an exciting future. It was an upbeat ending for a gray day.

Who me?

Bosom Buddies

Here's another marble.

# Pretty In Pink

The gang's all here.

The prom, as always, was one of the most exciting nights of the year. The fun at Chez Josef started at the round tables (but not for the shrimp and steer who were out of it) and escalated to the dance floor. The floor was crammed until midnight, but when the clock struck twelve, the party moved to Dino's, where it's still going on.

# Back To School

All look good - but Sam looks gorgeous.

They've got beauty and brains.

# Ferris Bueller's Day Off

Where's my award?

Who's got a tissue?

No skipping on May 21, 1987. ELHS students took the day off legally to participate in Field Day.

Highlights of the day were a slimy mud fight and a dip in the pond, while the egg fight was another scrambled time. With Mr. Mazz participating more than supervising, and students pelting everyone in sight with mud and hen fruit a great time was had by all. Wish you were there.

# That's Entertainment

This year's show marked the 25th anniversary of E.L.'s entertainment at its best with the Spartanum Spectacular. The school was honored with the return of numerous alumni who had participated in the show when they attended the high school. With the help of students Buffy Tarsa and Kerry Kryznovek as Directors, Mark Trial and Tony Maestrone as Masters of Ceremonies, and Brenda Marsian as Student Director of the Band the show enjoyed a huge success. Advisors Miss Herschuk and Mr. Turner gave unsparingly of their time and energy to help with the production and merited a few grey hairs in the process.

Was it "Forever Young" or "Forever Puckered-up"?

A revival of the movie Hair?

# GIRLS JUST WANT TO HAVE FUN

The Spartan Roll?

The Big Chill

Happiness is ... Synchronized Swimming ... anyway that is what this year's theme said. The clowns as well as Charlie Brown characters made the pool area resound with hilarity. A duet by Miss Kerr and Diane Girard made the performance sparkle.

Once again those amazing cheerleaders filled us with enthusiasm and team spirit. They cheered us faithfully to victory and comforted us in defeat. Their difficult formation and cheerful voices always reminded us of the score or the superiority of the school. If they can't do it, no one can.

Ooh, that's cool

It's Chris-py cold ...

# Caddy Shack

(L-R) Robert Mazzariello, Coach, Shawn Corish, Bill Brennen, Barbara Morace, Greg Frigo (captain), Jim Foard, Jeff Howard.

The E.L. Putters started the 1987 golf season enthusiastically. The team had all six of its lettermen returning. They took the League Championship with a perfect 12-0 season and went on to annex the Western Mass. Division 2 Championship where they beat all of the Division I teams. They then went on to place sixth in the state. Of the four Spartans who were sent to the Western Mass Individuals, Jim Foard shot a 75 to place second and go on to the state tournament.

The Varsity Softball Team struggled through the 1987 season with numerous difficulties. The team consisted mainly of underclassmen without experience. The three seniors, Kris LaValley, Jen Ferri, and Kristen Shank, showed applaudable leadership and patience while Coach Brownlee boosted the team's morale. Freshmen Shannon Girard and Chelsea Turner were key players in the Spartan defense. The J.V. had a slow season notwithstanding that many promising players were included in their ranks.

Varsity: (Top row: left to right) Mr. Gebbia, Jeff Vanhook, Gary Decoteau, Glenn Witwer, Coach Knowe. (Second row:) Mike Harrigan, Ken Wenc, John Godwin, Kevin Gaboury. (Third row:) Mike Stachowicz, Bill Fielding, Kevin Butler, Scott Dunlop, Joe VanValkenburg. (Bottom row:) Mike Calabrese, Dino Marafioti.

Robert Redford, the Natural, could have been a help to the Varsity team this year. Even with all their hard work and guidance from coach Knowe it just wasn't their year. Seniors: Scott Dunlop, Bill Fielding and Joe VanValkenburg, who were key players, will be greatly missed next year. But if Glen Witwer, Jeff Vanhook, and John Godwin can continue to hold their own the following year should be a promising one.

Overall the season was pretty uneventful, except for a thrilling occurrence when the Spartans made an attempted comeback over the Panthers.

Freshmen (Top row: left to right) Kevin Dunlop, Derek Gorman, Mark Zepke, Eric Johnson, Arthur Billion. (Middle row:) Brian Fortin, Russ Arsenaault, Matt Dupont, Eric Longo, Coach Al Alminus (Bottom row:) Ron Burns, John Commisso, Don Fortin, Mike Hoague, Todd Witwer.

# Players

The EL girls' tennis team turned in a very competitive season. The girls netted a 5-9 record playing diligently and many matches were lost by slim margins. One senior spotlighted on the team was Beth Myers who was an All-Western Mass. selection and made it to the semifinals in the Western Mass. tournament. Other seniors who were strong contributors to this year's team were Joy Wiezbicki, Pauline Ferreira, and Buffy Tarsa. With loads of young talent the girls' team hopes to improve greatly under the electrifying leadership of new head coach, I.J. Kerson.

Raise your hand if you're sure!

Standing (l-r): Sandra Marsian, Amy Mayotte, Lori Wallace, Astrid Clarke, Chris Rosati, Mr. Kerson (coach). Kneeling (l-r): Joy Wiezbicki, Buffy Tarsa, Pauline Ferraria, Beth Meyers.

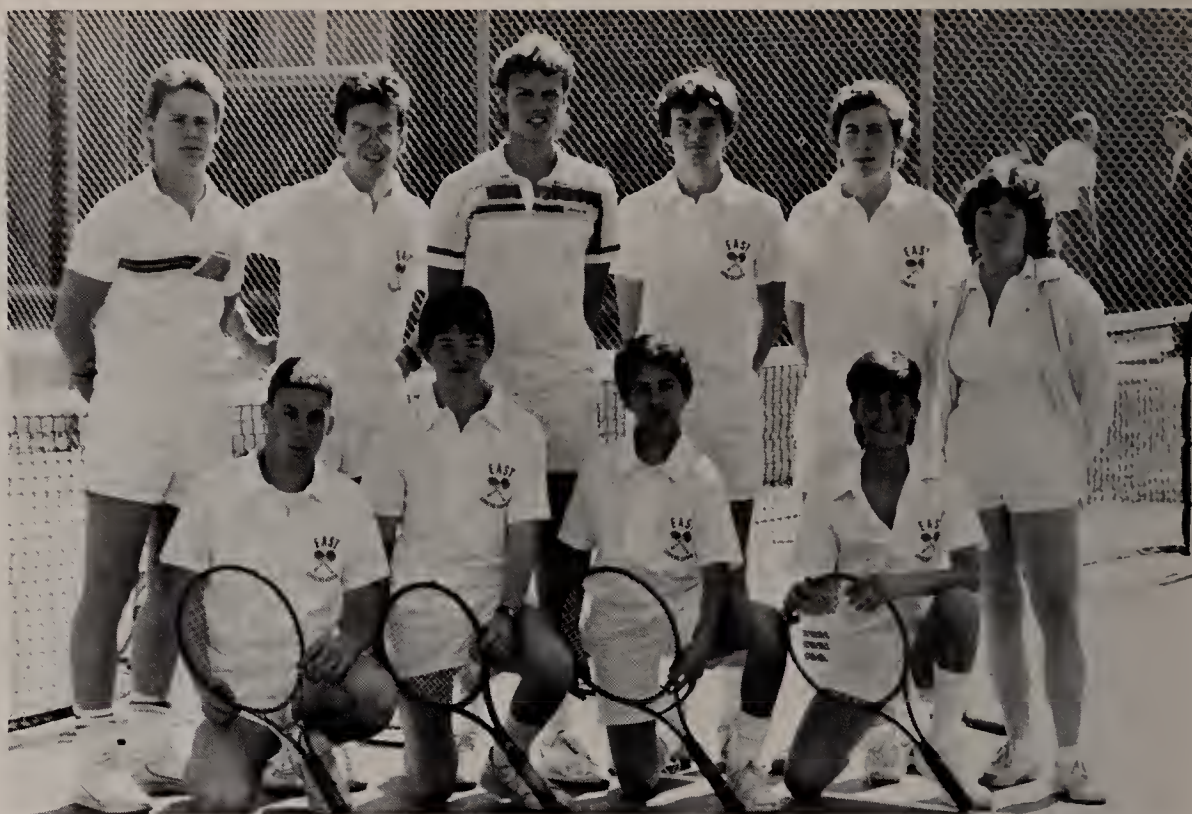

Over here to the left we have ...

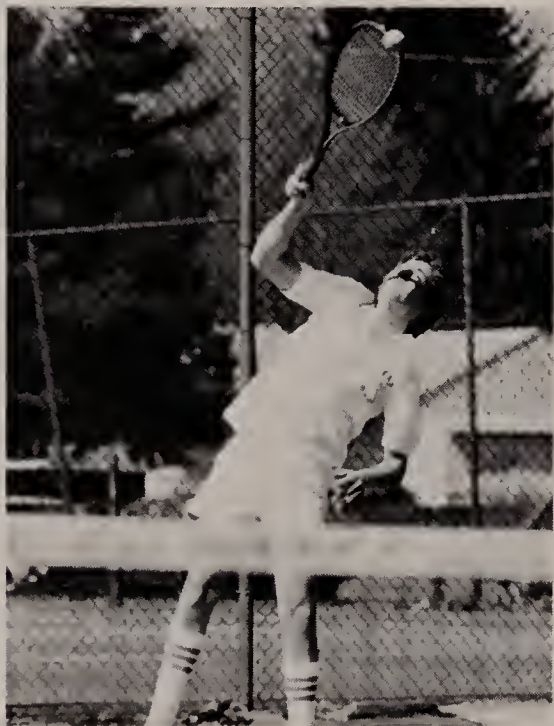

# Stroker Ace

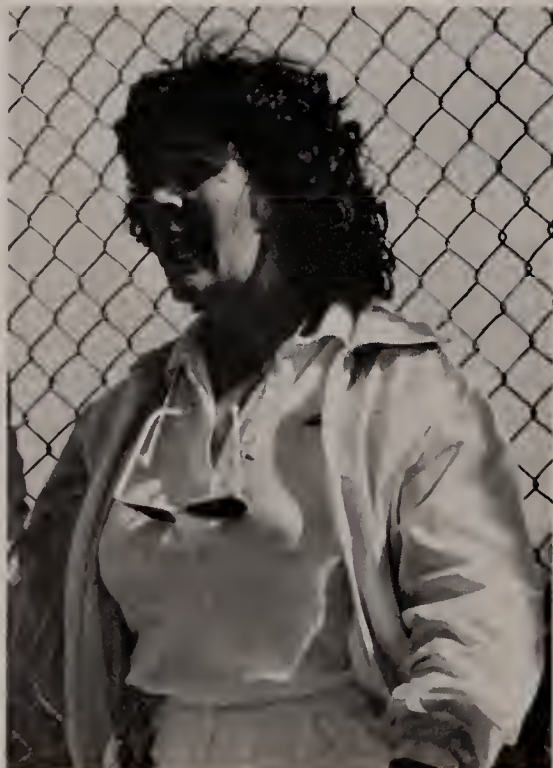

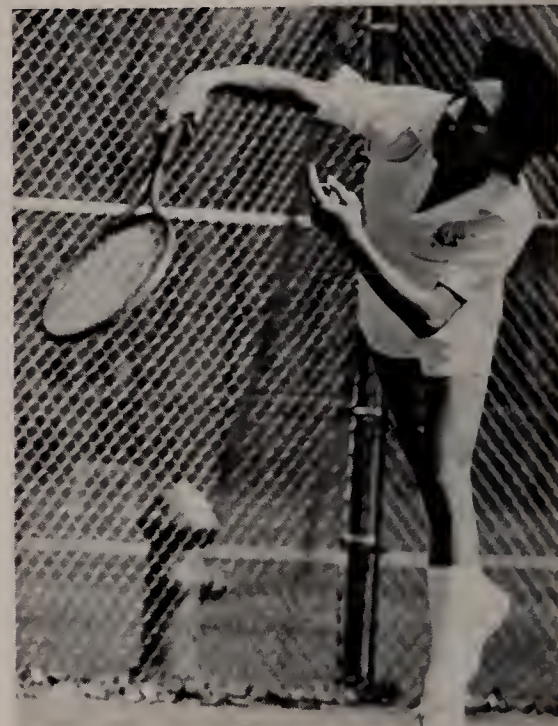

Boys' Tennis lofted itself to great heights this year, amassing a record of 10-2 and reaching the semifinals of the Western Mass Team Tournament. The team was very strong and balanced with Matt Donatelle destroying his opponents at first singles, Scott Pothul at second singles, and Jeff Lederer coming through in the clutch at third singles. The team was rounded off with two powerful doubles teams with Mike Fontana and Steve Davis at first doubles and Dave Breton and Chris Rau at second doubles. The team is looking forward to having a great year next year with the return of the entire starting lineup.

# Fast Times At E.L. High

This year's girls' track team's overall record was 8-3, not as good as last year, but more was accomplished. Several school records were broken by talented individuals such as freshmen Jen May, Kristi Ingulli (MVP), and RaaKee and KeeKee Henderson. Also records were broken by sophomore Patti Kelleher, junior Christiana Brown, and senior Kathy Holt. With only two seniors leaving the girls should run rings around their opposition next year.

Marylou-whol

Missing: Heather Russell, Denise Blomberg, Sue Adeletti.

# Chariots Of Fire

Oh No. Where's the Mat!

The Boys' Track team started the year impressively, posting wins over Southwick, Holyoke Catholic, and Ludlow, but then stumbled over their last five meets. Seniors Jeremy Shurtleff, Dennis Warner, Rick Hafey and Joel Faillace consistently won points in their events as did Juniors Lee Deets, and Paul Humphrey. With only nineteen members on the team it was hard to fill all the events and equally hard to replace injured people but hopefully next year's freshman will give the track team the extra members it desperately needs.

Kneeling: (l-r); Bruce Mitchell, Jim Bozman, Bruce Huntley, Jo Reale, Paul Humphrey, Mike Cafaro, Scott Lamagna, John Czupryna, Standing: (l-r); Coach Tom Dagenais, Tom Morrison, Erik Kraft, Jeff Quinn, Lee Deets, Dennis Warner, Jeremy Shurtleff, Neil Childs, Rick Hafey, Joe Faillace, Sean Walker, Bill LaPlante.

# That Was Then, This Is Now.

Out with the old and in with the new. Although you really couldn't consider Mr. Cannone old, still his experience and expertise have brought him a new challenge in 1987. Losing Mr. Cannone to the higher echelons of administration in East Longmeadow High School and bringing Dr. Freccero into the principal's office will be a change for the fine-tuned machine of ELHS. As much as we hate to see Mr. Cannone leave, we are interested to make Dr. Freccero a part of our family and to see what plans he has for the future.

IN CONGRESS, July 4, 1776.

# The unanimous Declaration of the thirteen united States of America.

When in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. We therefore the Representatives of the United States of America, in General Congress assembled, solemnly publish this Declaration, that all to whom these Presents shall come, may be informed of the full and true meaning of the same, and that they may unite with us in declaring that the United States are, and of right ought to be, free and independent States, that they are absolved from all allegiance to the British Crown, and that all political connection with them is, and ought to be, totally dissolved; and that as to the future, they do, and of right ought to, exercise sole and independent power, sovereignty, jurisdiction, freedom, immunity from taxation, and the right to make and execute all laws, ordinances, resolutions, and decrees, in relation to the said United States, and to the people thereof, in all cases whatsoever. And for the support of this Declaration, we, the Representatives of the United States of America, in General Congress assembled, do hereby declare, that the said United States are, and of right ought to be, free and independent States, that they are absolved from all allegiance to the British Crown, and that all political connection with them is, and ought to be, totally dissolved; and that as to the future, they do, and of right ought to, exercise sole and independent power, sovereignty, jurisdiction, freedom, immunity from taxation, and the right to make and execute all laws, ordinances, resolutions, and decrees, in relation to the said United States, and to the people thereof, in all cases whatsoever.
